Health Information

For safety reasons, we need to be aware of any special health concerns you may have. Please attach a separate sheet if you need more room to answer the following questions. This information is confidential and is collected solely for the purpose of ensuring your safety.

Do you have any food allergies or dietary restrictions? _____

Are you allergic to bee stings or other insect bites? _____

Do you have any medical condition(s) about which we should be aware? _____

Do you take any medications about which we should be aware? If yes, please list them and describe what they are for: _____

Essay (for multi-week courses only): Please write a short essay to tell us about you and why you want to participate in the program. Length is unimportant; helping us learn something about you is. Use separate paper and attach.

References (for multi-week courses only): Please provide the names and contact information of three people who know you well, at least two of whom are not related to you.

Deposit

Please include a check or money order for the deposit. For long-term programs the deposit is \$1000. For shorter programs, the deposit is 1/2 of the course tuition. We'll hold a spot for you only after we receive your deposit. For more details, see the tuition page of our website. Deposits are non-refundable unless the course for which you're registering is full.

Cancellations and Refund Policy

With cancellations more than 30 days in advance of the course or trip, the tuition, less the deposit, will be refunded. With cancellations less than 30 days prior to the start of the course all monies are non-refundable and non-transferable. These policies reflect the fact that we do not overbook, cancelled spaces are very difficult to fill at the last minute, and that the vast majority of costs are incurred in preparing for a course/trip. If a program is cancelled by us for any reason, the full tuition (including the deposit) will be refunded.
